

REAL TIME CHAT

LLM-based live chat with an AI coach. 24/7 available. Personalized, proactive, and knowledgeable.

ACTIVITY MENU

Huge menu of career-focused activities curated to suit job seekers at all stages of their career journeys.

RESOURCES

Coach has an education resource database to recommend resources and services to users at the right time.

It helped me identify my passions, matched me with suitable careers, provides step by step plans to achieve my goals. It offered networking tips, and helped me polish my personal brand. It helped me in real life to clear my career ideas from hobbies, and what I would really enjoy doing for the rest of my life.
- Student Beta Tester, August 2023

HOW COACH IS DIFFERENT

- ✓ Responsible AI framework
- ✓ Human + AI monitoring
- ✓ Chat transparency for educators
- ✓ Data, insights and after action reports
- ✓ Co-designed by a coalition of partners

Supported by a coalition of partners..

and more...

ABOUT CAREERVILLAGE.ORG

For over a decade, CareerVillage.org has been an innovator in using technology to help young people prepare for careers. We changed the game by using crowdsourcing to serve career advice to millions of people with the help of 150,000 volunteers. Now, we're changing the game again with an AI Career Coach that can provide all of the essential career guidance every person needs on the path to a great job.
