

Dear Parent,

We hope this message finds you well. We're thrilled to share exciting news about a fantastic opportunity for your learner! Our school/program has partnered with CareerVillage.org to introduce AI Career Coach—a personalized career exploration tool.

What is Coach? Coach is an innovative tool designed to provide personalized career insights for young individuals of all ages. It tailors advice to their unique goals, offering a 1:1 chat experience that adapts and grows with each interaction.

What's Special About AI Career Coach?

- **Personalized Guidance:** Your learner will receive tailored advice to support their career exploration.
- **Inclusive and Diverse:** The tool is designed to be inclusive and representative of diverse backgrounds and cultures.
- **Educator-Approved:** Developed with educators nationwide, AI Career Coach aligns with educational values and needs.

Your Role: As a parent/caregiver, your support is essential. Feel free to explore the tool together, ask questions, and engage in conversations about the valuable insights it provides.

Next Steps: If you have any questions or would like more information, please reach out. We're here to make this journey a positive and enriching experience for your learner.

Thank you for being a part of this exciting initiative!

Best Regards,
