Exciting New Features to Enhance Your Classroom Experience

We're excited to introduce new updates to Coach designed to make both teaching and learning experiences even more seamless and impactful!

Here's what's new:

Speech to Text / Text to Speech

Enable more accessibility and engagement by using speech or text to interact with Coach.

Upload & Attach PDFs

Streamline information sharing with Coach by uploading and attaching PDF documents directly.

Multiple Ways to Invite Learners

Simplify classroom access by inviting students through various methods, making it easier for everyone to join and participate.

Talk to Coach in Multiple Languages

Break barriers and interact directly with Coach in various languages.

Help me find an activity Restart

Here are some activities to help you match your skills and interests with potential career paths:

Identify occupations for you

Learn about occupations that align with your interests and with what you are good at doing.

Match your skills to the right job title

Learn about which roles, job titles, or positions that best match your interests, skills, and experience.
